# THE ROYAL ACADEMY EXHIBITION

THE Editor will be pleased to receive drawings from all parts (carriage paid), unpack the same, and deliver the contents to the exhibition authorities on the sending-in day, reserving to himself the right for photograph the drawings for publication purposes.

In the London district the Editor will be pleased to call, and, if desired, arrange for photographs of proposed exhibits to be taken at the Architect's office, right up to three o'clock on sending-in day, thus possibly saving a considerable amount of mutual anxiety as to the safety and timely return of the original drawings, to those who desire to deliver the same personally.

With regard to the "Architectural Review" section of "Academy Architecture," the Editor will be pleased to receive, at any time, drawings, plans and photographs for publication purposes.

The Editor has much pleasure in personally recommending Mr. Sydney Newbery, 37 Cowley Road, Brixton, S.W.9, Telephone 468 Brixton, as a most efficient photographer. In this volume his work is represented by 52 photographs from drawings and 37 interior and exterior views.
